Introductions  
January, 2019

**NUVO**<sup>®</sup>  
L I G H T I N G

Nuvo 2019 explores design that cultivates the imagination.

Large blown glass with oceanic influences and contrary combinations like natural brass and weathered wood enliven today's trending styles.

New "retro" designs give a nod to mid-century modernism and sassy shapes echo the sophisticated fun of the Gatsby Gold Coast.

Light sets the mood and creates the tone in a room. It acts as an invitation and a path. Nuvo creates fixtures that appreciate the intention of light.

Nuvo...Inspired by Light.
